Good Products Need Good Conversations.

You can have a great product, a strong team and a clear vision — but growth becomes difficult when the right people never hear about you.

K&C Propel sits between your business and your next opportunity. We research, strategize, reach out and create the conversations that move business forward.

Less noise.
More relevance.
Better opportunities.

WHAT WE DO

What We Actually Do

Not just another lead generation agency.

01

Market Mapping

Know where your next customer is hiding.

We research industries, markets, companies and decision-makers to identify where the strongest opportunities are.

Because you can only reach the right people if you know where they are.

02

Pipeline Architecture

Build the right pipeline before chasing the wrong leads.

We design targeted prospecting systems around your ideal customer, market and sales objectives.

03

Campaign Studio

Campaigns with a reason to exist.

We create focused outbound campaigns built around a specific audience, message, market or business objective.

04

Strategic Outreach

Say the right thing to the right person.

We develop personalized email, LinkedIn and outbound strategies designed to create meaningful business conversations.

05

Opportunity Hunting

Find the conversations worth having.

We identify and engage prospects that have a genuine reason to consider your product or service.

06

Conversation to Conversion

Turn interest into something actionable.

We help manage follow-ups, qualify opportunities and move promising conversations toward

07

Market Entry

New market. New audience. New possibilities.

We help businesses research and approach new markets by identifying target companies, decision-makers and market

08

Growth Strategy

Because activity without direction is just activity.

We help define practical sales and business development strategies based on your market, goals and available resources.

THE PROPEL METHOD

Our Way of Moving Things Forward.

A simple five-stage approach designed around one goal: creating meaningful commercial opportunities.

01

Discover

Understand before we reach out.

We learn your product, market, ideal customer and sales objectives.

02

Map

Find where the opportunity lives.

We identify industries, companies, decision-makers and relevant market segments.

03

Create

Build the reason to start a conversation.

We develop campaigns, messaging and outreach strategies.

04

Engage

Start conversations that make sense.

We reach the right people through relevant channels and personalized communication.

05

Propel

Move the opportunity forward.

We qualify, follow up and support the next commercial step.

Every Campaign Needs a Reason.

We don't believe in sending the same message to everyone.

We build campaigns around a specific audience, market, product or objective.

01

New Market Campaign

Entering a new country?

Research-driven outreach to establish presence in a new geography or vertical.

02

Product Launch Campaign

Have something new to sell?

Targeted campaigns to introduce a new product to the right audience.

03

Decision-Maker Campaign

Trying to reach the people who actually decide?

Precision outreach to the individuals with real purchasing authority.

04

Re-Engagement Campaign

Have old opportunities sitting quietly?

Strategic follow-up to revive dormant prospects and stalled conversations.

05

Outbound Growth Campaign

Ready to create a new pipeline?

Fresh outbound campaigns designed to build a pipeline from scratch.

ABOUT

Why the Name?

K&C

Kit & Caboodle

The right capabilities, together.

↓ Everything you need.

K&C is inspired by "Kit & Caboodle" — the idea of having the right capabilities together in one place.

PROPEL

Movement

Momentum, progress, forward.

↓ Moving a business forward.

Propel represents movement, acceleration, momentum and moving a business forward.

K&C Propel brings the right sales capabilities together to help businesses move forward.

We're not trying to be everything to everyone. We're building a focused business development partner for companies that want meaningful growth.

FOUNDER MESSAGE

Built With a Simple Belief.

> *"Good businesses deserve good opportunities. Our job is to help create the conversations that connect the two."*
